EXPERTS ON POISON.

Prof. Doremus the First Witness in Meyer's Trial To-Day.

He Testifies to Having Found Antimony and Arsenic.

Tightening the Chains About the Alleged Murderer.

The network of testimony in which cutor John F. McIntyre hopes to sh Dr. Henry C. F. Meyer wa ed the trial of the alleged poisone in the Court of Oyer and Terminer this ing. District-Attorney Nicoli said he hoped to conclude the case for the prosecution to-day.

After that the defense will have its turn. Charles W. Brooke, chief of counsel for Dr. Meyer, said at the beginning

ion are marvellously complete. They re iron-clad, copper-riveted, or what you ke for a simile for strength. They ave proven everything-except the mur-

have proven everything—except the murder. Who gave poison to the dead man?
There is no proof of his having taken
any poison, save by his own hand, when
he seized the bottle of Croton oil and
dosed himself."

It has been the general comment of the
attendants on the trial that Justice Barrett's rulings have been eminently fair
to both sides, although the defense have
taken many exceptions upon which to
base an appeal for a new trial, should
this one end in a verdict against Dr.
Meyer.

ners and courts of New York and where, where, where, edeath and burial of Dr. Minden's ent, known to him as "Gustav M. J. Baum," and identified by photophs, interviewers, former acquainses and others as "Ludwig Brandt," been proven conclusively. The resection of the body by Undertaker Kip been proven, but Car' Muller, the fessed accomplice, alone had testithat Brandt had been dosed to death a croton oil, antimony and arsenic. For Doremus was called to show these poisons were in the body dug in quantities sufficient to have killed man, leaving the surrounding circumstances to determine whether those sons got there by the hand of Dr. Joseph Nist, of 214 byer, as Muller had testified, or in the other way.

was the body of Ludwig Brandt

was the body of Ludwig Brandt, photograph in court was a phon of Brandt, for it was the body by Undertaker Kip from the flat st Thirteenth street, which Kip ble to determine by a safety pin by him in place of a missing butter the dead man's underclothing, he prepared the body for burial, he prepared the body for burial, witness related how the visceramoved from the body in the casone of the doctors and how he the brain, the heart, the stomach, and the liver, spleen, kidneys and skeles of the calf of the right leg, a glass jar by itself, sealed up are hermetically and took them to his labratory.

If Aug. 18, when Prof. Doremus at an order from Coroner Schultz ke a chemical analysis of the organs to ascertain whether they add poison of any kind.

Add received no intimation as to kind of poison I might expect to said Prof. Doremus, methodically, he are three kind of poisons—volations, such as enforoform; vege-poisons, such as morphine and ana, and mineral poisons, which is the organs to processes by which we tree the such processes of the mercury, lead, copper, arsenic

had a parcel of morphine in the earlier stage of the conspiracy.

It was not until last January that the acids to returned to his crucibles and the viscers of Ludwig Brand.

It was claimed by the defense in the trial of Dr. Buchanan that the tests had not been claimed to the viscers of Ludwig Brand.

It was claimed by the defense in the trial of Dr. Buchanan that the tests had not been claimed to complete and were not conclusive in the complete i

weighed it.

"There was a weighable quantity of arsenic in each organ, but so small in the muscle and brain that I hesitated to weigh it for fear I might lose it."

"Did you weigh the antimony, and, if so, what qualitiy did you find?" asked Mr. Nicoll.

Mr. Nicoll.

"Six grains of tartar emetic, the common form of antimony. I unfortunately lost most of the antimony from the stomach.

"I also found about two or three grains of arsenious oxide, altogether, and between five and six grains of antimony."

MAY BE A SENSATION.

MAY BE A SENSATION.

Startling Charges Promised at ToMorrow Night's Meeting.

There is likely to be a big sensation sprung at the meeting in Cooper Union to-morrow night of the Independent County Organization.

Facts in support of charges of corruption against Tammany bosses and officials will, it is promised, be presented by some of the speakers, who have been for some time quietly investigating the management of various with your husband or your father and mother.

"I won't have you coerced in the matter. Now, you can leave the court-room and go where you please."

At this the husband took a step nearer his wife. "Now, no one can leave this court-room until after you have gone," said Justice Ingraham.

After the wife had put on her wraps she left the room.

Her brother, a youth about sixteen, had aiready slipped from the room and awaited his sister just outside the door.

They had a sense the court-room and supplied to the supplied to the supplied to the mother. They won't have you coerced in the matter. Now, you can leave the court-room until after you have gone," said Justice Ingraham.

After the wife had put on her wraps she left the room.

They wife you can leave the court-room and go where you coerced in the matter. Now, you can leave the court-room until after you have gone," said Justice Ingraham.

After the wife had put on her wraps she left the room.

They had a supplied from the court-room and a served had a supplied from the court-room and a served had been from the Justice. "Stand back there," said the Justice. "Now, no one can leave this court-room until after you have gone," said Justice Ingraham.

After the wife had put on her wraps she left the room.

They had a supplied from the court-room and a served had a supplied from the court-room and a supplied from the four had a supplied from the fo

vestigating the management of various partments in the City Government. It is expected that there w'll be a big rowd present to listen to these promsed revelations.

ANNIE BOLTON'S AWFUL STORY.

She Claims to Have Been the Victim of a Brutal Gang.

Sixty-eighth street station, having in their custody a buxom Irish domestic named Annie Bolton, aged twenty-two cars, whom they charged with disorderly conduct, and two young boys street, and Cornelius Swanson, of 213 West Sixty-third street, appeared in the Yorkville Police Court to-day.

The boys are sixteen years old, and were charged with criminal assault by merly worked as kitchen girl in the Astor

House.

According to her story she left the house of her married sister living a 522 West Fittleth street, with whom shas been living, at 7 o'clock last evening to make arrangements to go to a new

position.

As she walked along Sixty-fourth street, between Tenth and Eleventh avenues, she said, she was suddenly seized by two young men, one of whom clapped his hand over her mouth to prevent her making any outcry, and then dragged her into a vacant lot on Eleventh avenue, between Sixty-fourth and Sixty-fifth streets.

face. Her appearance bore out her story.
Her left eye was terribly swollen and
discolored, and her face was scratched
and bruised.
It is belie ved that but for some sectionmen on the Central Railway tracks,
whoheard her cries of distress and informed Policeman Carlin, she would
probably have been murdered.

MEN AND HORSES KILLED.

(By Associated Press.) NYACK, N. Y., Doc. 13.—S. Rose and Henry Baisley left Haverstraw with a fearm at a late hour last night. On the window and leaped to the ground. return home, and on their way, at West is supposed that his skull is fractured. return home, and on their way, at West Haverstraw, they had to cross a railroad bridge,

When they reached the structure it was very dark, and both men and horses fell off to the road below. The men and animals were all killed The accident was discovered this morning, when the four dead bodies were

was afterwards found among those siain bath, willowy figure. She wore a handsome black dress and black hat, and wore a black velvet wrap.

A few minutes after the young woman, her parents and attorney reached court, William Strohoefer, her husband, also accompanied by an attorney, arrived.

In his application for the writ of habeas corpus made yesterday, Strohoefer swore that he married his wife last August and that they had lived went for a short visit to her parents, and that they had since held her a prisoner, to prevent her returning to him. He also swore they had refused to allow him to see her.

Justice Ingraham called the young wife before him, and her husband promptly took a position beside her, while his lawyer began an effort to introduce testimony on the case.

"No, I don't want to hear any witnesses," said Justice Ingraham, and turning to the young woman he said:

"You are old enough to decide for yourself whether you will elect to live with your husband or your father and mother.

"I won't have you coerced in the matter. Now, you can leave the court-room." tall, willowy figure. She wore a hand-

and threw his arms around his wife's neck.

"Let me go! Let me go!" she cried, and her brother also began crying. "Let my sister go!" as he struggled to release her from her husband's embrace. The woman struggled hard to release herself and the brother struck at the husband several times.

The cries of the young woman to be released and the entreaties of her husband for her to come with him attracted an immense crowd.

It finally required the efforts of three policemen to release the young woman from the embrace of her husband.

As soon as released the young wife said:

"Oh, take me away from him."

A policeman lead her to another part f the building, where she was joined by

Ardlament Murder Case.

Disastrous Results of a Powder Explosion Near London.

(By Associated Press.)
EDINBURGH, Dec. 12.—The trial of Gould and His Counsel Also Deny a Alfred J. Monson, a tutor, charged with the murder of Lieut. Hambrough, at Ardlamont, in August last, was resumed ere this morning before the Lord Jus-

tice Clerk of Scotland. The exhibits were added to to-day by hree plaster casts of the head of the eceased Lieutenant. Among the ladies n Court was the wife of the prisoner. The first witness called was John Steven, the agent of factor of the Ard-

lamont estate, who helped to carry the Lieutenant's body into the house. He said that as he was stooping over the Lieutenant's body, he noticed the turned to the house he saw Monson walking up and down a room in an agi-

vas crying. tor examined the body, he said it was strange that ther was no smell of singeing: that, however, was after the head
of the dead man had been sponged. According' to Steven, the muzzle of the
gun which killed Lleut. Hambrough must
have been within the length of a barrel
of the Lleutenant's head.

Near the point where witness first saw
the body was a large hole which would
easily trip a man. While witness was
in that spot, Monson pointed out two
other places, saying: "We lifted him."

Continuing, the witness remarked that

Continuing, the witness remarked that Monson seemed confused and surprised at the place where the body was

At this moment a juryman began asking why the body was lifted from the spot where it was found, but, the Lord Justice interposed, saying that any of the jurymen who desired to ask quesions must wait until counsel finished. James Dunn, was the next witness ing his holiday at Ardiamont, and that he was staying at the school-house. On

Later the witness saw the three mer Hambrough went to the right and Monon and "Scott" to the left, after which they passed out of sight. About five minutes afterwards Witness Dunn heard a shot.

next witness, said that on the night of Aug. 8 he took out McKellar's boat, but did not see the plug-hole and was not aware that there was a hole. On the afternoon of Aug. 10 witness saw the boat on the shore and noticed a hole cut in its side.

This was the boat from which Ham-brough came near being drowned while out with Monson two days before the shooting. The boat sank.)

Death of M. Dories, Eq-Premier of Servin.

that There Was a Settlement.

Howe & Hummel, counsel for Mrs. Zella Nicolaus in her \$40,000 suit against George Gould, positively denied to-day the story printed in a morning paper, to the effect that Mrs. Nicolaus and "Guar-

dian" Ruhman sailed for Genoa yester-day on the Hamburg-American steam-Abe Hummel was apparently very insettlement between his client and Mr.

"Why, sir, there has been no settle-ment or compromise of the suit," he de-clared. "Mrs. Nicolaus did not sail on two registering as Mr. and Mrs. N. W. Harris; both are in this country to-day and the suit against Mr. Gould is still

said to be Mrs. Nicolaus was his daughter.
George Gould reached his office from
Lakewood about 10 o'clock this forencon.
He was met by an "Evening World"
reporter, and congratulated upon the
discontinuance, settlement or abandonment of Zella's suit.
Mr. Gould appeared much surprised.
"I know nothing about any such
thing," he said. "If she has sailed I do
not know it, and I know nothing about
a settlement or discontinuance of the
suit."

At the office of the Hamburg-American line, 35 Broadway, it was said that the couple who sailed on the Normannia as Mr. and Mrs. Harris, occupied stateroom 38, and not No. 2, as reported.

The clerk who sold the passage tickets to the man, who recistered as Mr. Harris, said that the latter was a very tail, slim man, with a Hoosier air about him. He wore a luxuriant sandy chin whisker and hair a clean upper lip.

He came alone and said he was from Chicago, and was going to take a tour of

Chicago, and was going to take a tour of Chicago, and was going to take a tour of Europe with his wife. Ruhman is not at all like the descrip-tion given of Harris. He has a light complexion and wears a small blonde mustache. mustache.

At the office of Cockran & Clark,
George Gould's lawyers in the Nicolaus
case, it was said that if there had been
a compromise or settlement of any kind
nothing was known of it there.
